The Ministry of Education and Human Resources, Tertiary Education and Scientific Research wishes to inform parents that a limited number of vacancies exist in Grade 12 for 2018 in some specific subject combinations in a few State Secondary Schools, including Mahatma Gandhi Secondary Schools and Rabindranath Tagore Secondary School.

Vacancies also exist in Grade 12 for HSC Pro which is being offered by some schools in the ICT strand. The HSC Pro, offered by CIE, is equivalent to Cambridge HSC and aims at establishing bridges between the school and the world of work. Along with their academic studies, students undergo structured work placements to develop their employability skills, making them better prepared for the world of work.

The Programme of study consists of:

(i) At Principal level: two ‘A’ level subjects + Cambridge Technicals in ICT; and
(ii) At subsidiary level: Global Perspectives (an alternative to General Paper) + one ‘AS’ level subject.

The list of subject combinations and vacancies is available for consultation on the Ministry’s website at http://ministry-education.govmu.org and at the Customer Care Desks of the Ministry at MITD House, Phoenix and at the Zone Directorates.
