HOW TO USE THE Médiathèque?

- It is open to all pupils and staff during school hours.
- Students may come to the Médiathèque individually or in small groups for study and research or to prepare projects or pursue topics related to the class activities, with the help of their teachers.
- It is advisable to establish a scheduled weekly library period so that every class can benefit from it.
- Pupils should be under the supervision of the teacher who will guide the students and plan how to use the time effectively.

CONCLUSION

To meet the challenges of the new world, the Ministry of Education & Human Resources is putting a lot of emphasis on Community/PTA participation and involvement. The Médiathèque project is a wonderful opportunity for stakeholders to bring their contribution in our drive to make the year 2007 the year of Technology in schools. Interested stakeholders may contact Zone Directors/Head Teachers of Schools in their region.
