COMMUNIQUE

MWALIMU NYERERE AFRICAN UNION SCHOLARSHIP SCHEME 2018
Call for Scholarship Applications
For Female Candidates Only
For Masters and PhD Programmes in Science, Technology, Engineering and Mathematics (STEM)

The Mwalimu Nyerere African Union Scholarship Scheme was launched in 2007 with the aim of contributing to the production and retention of high caliber African human capital for sustainable development of the continent in critical development areas, while promoting regional integration through intra-Africa mobility of students. The Scholarship Scheme is intended to enable young Africans to study in reputable African Universities with a binding agreement that beneficiaries will work in any African country for at least the same duration of scholarship period after graduation.

To encourage the participation of young African female students at postgraduate level, for Masters and PhD programmes in the fields of Science, Technology, Engineering and Mathematics (STEM), the African Union Commission is offering a Call for Scholarship Applications (For Female Applicants Only).

2. **Eligibility Criteria**

   To be eligible for the Scholarship, a candidate must:

   (i) Be a Female Citizen of an African Union Member State.

   (ii) Be under the age of thirty five (35) years for Masters Programmes; and under forty (40) years for PhD Programmes.

   (iii) Be a holder of a Bachelor’s Degree in the relevant field, at the level of Upper Second Class Honours for a Masters’ Programme; and a holder of Masters’ Degree in the relevant field for a PhD Programme. The degree must be from a reputable University.

   (iv) Have demonstrated outstanding academic achievement as evidenced by academic transcripts, and academic awards if any.

   (v) Have proof of admission to undertake a full time Masters or PhD programme in a recognized university of an African Union Member State.

   (vi) Be willing to commit to work in an African Union Member State on completion of studies for at least three (3) years.
No application will be considered without an admission letter from a university.

**Note:** In order to promote, intra-Africa student mobility, candidates are encouraged to seek admission to universities in countries other than their own.

3. **Eligible Fields of Study**

The following fields of study are eligible:
- Science
- Technology
- Engineering
- Mathematics

The Masters programme should be of two years duration; while the PhD programme should be of three years duration.

4. **Benefits**

The scholarship award covers the following:

**Tuition Fees:** According to an official invoice from the Host University.

**Stipend:** 500 US$ monthly, to support living expenses such as housing, food, utilities, local transportation and medication.

**Book Allowance:** An allowance of 500 US$ per year for the purchase of books.

**Air ticket:** A round-trip economy fare for the most direct route between the beneficiary’s home country and the study destination of host Institute.

**Travel Allowance:**
- One-off payment of 250 US$ to contribute towards ground transportation from airport and settling-in costs
- One-off payment of 350 US$ to assist with shipping and other terminal expenses; upon departure from the host Institution after successful completion of the study.

**Computer Allowance:** One-off payment of 1,000 US$ for the purchase of laptop computer and accessories.

**Note:** Candidates must complete all academic work within the specified period of the programme as the scholarship cannot be extended.
5. **Mode of Application**

Interested candidates should complete the Application Form in PDF format as well as the EXCEL Applicants’ Data Sheet, which are available on the Africa Union website:

www.au.int/en/scholarship

The applicants should submit their formal application which should include the following:
