COMMUNIQUE

OFFER UNDER THE NEW ZEALAND DEVELOPMENT SCHOLARSHIPS
PROGRAMME FOR POST GRADUATE COURSES FOR 2014

The Government of New Zealand is providing Development Scholarships (NZDS) to targeted countries in Africa including Mauritius. These Scholarships offer the opportunity to undertake studies at postgraduate level in tertiary education institutions in New Zealand.

The Scholarships Scheme aims at strengthening sustainable economic development in Africa by contributing to human resource development.

For the 2014 intake, scholarships will be offered at postgraduate level for studies related to Sustainable Economic Development, with preference given to the following sectors:

- Agriculture development
- Geothermal development

2. Type and Level of Scholarships

NZDS are awarded for full-time, postgraduate level study (i.e. Postgraduate Certificates, Diplomas and Masters degrees) starting in 2014.

3. Eligibility criteria and information on the NZDS

Applicants must meet the eligibility and selection criteria as outlined in the following website:

Details of the Scholarship Scheme are also available at the above-mentioned website.

4. Application process and closing dates of applications

Candidates should apply directly to one of the participating New Zealand Education Institutions after ensuring that they meet the New Zealand Scholarship eligibility criteria. Details of the Institutions and their respective closing dates for applications are available at the above-mentioned website.
